Welcome to A.V.V.M.Sri Pushpam

Rain ravages and flood have affected several parts of Tamil Nadu in the first week of December. As several water bodies breached their banks, still many parts of Tamil Nadu are waterlogged and there is unprecedented distribution and disruption of normal life. Damages and losses are heavy.

The outpouring support from individuals, companies, corporate sectors, states and nations offering aid complementing the government to support the people in areas where devastation unfolds as flood waters stagnate or recede overflows. Yet the need is great.

Sri Pushpam also extends its munificent hands to the suffering brethren. A.V.V.M. Sri Pushpam wishes the Alumni to join hands in this humane endeavour to overcome the disaster
